

## BODY LOTION

Silky and deeply moisturizing, our body lotion leaves your skin feeling soft and hydrated without any greasy residue. It only takes a dab of our all natural, renewable ingredients to provide immediate skin relief to dry or weathered skin. High concentrations of the finest quality of organic Aloe Vera penetrate and rejuvenate your skin, while our unique ingredient of organic Yerba Maté infuse one of the highest levels of vitamins, minerals and antioxidants on the market today.

Go ahead - indulge your skin!

**PURIFIED WATER:** Aqua (water) in a highly purified pharmaceutical grade.

**CARTHAMUS TINCTORIUS SEED OIL (SAFFLOWER):** Safflower seeds are rich in linoleic acid to attract free radicals and leave an excellent barrier to protect and nourish the skin.

**ORGANIC BARBADENSIS (ALOE VERA GEL):** We use only certified organic Aloe Vera Gel sourced by the world's oldest and largest manufacturer and grower of Aloe Vera from a farm in the Dominican Republic. Aloe has been used for centuries as a rejuvenator of cells and adds cool, soothing properties to the skin.

**CAPRYLIC/CAPRIC TRIGLYCERIDE:** A derivative of coconut oil that keeps the skin smooth, lustrous and silky feeling and aids in the blending of vitamins and absorption in skin.

**GLYCEROL STEARATE:** Derived from corn or hydrogenated soya bean oil, this co-emulsifier is used as a thickener in our lotion and adds moisturizing properties.

**PURE ESSENTIAL OILS:** We use carefully selected pure natural essential oils to provide our pleasantly fresh and unique aromas, as fresh and unique as the rainforest we preserve

**GLYCERINE:** A thick and rich natural by-product of soap that assists in retaining moisture in the skin.

**CETYL ALCOHOL:** A coconut or palm oil co-emulsifier used as a thickening agent for the conditioner.

**SODIUM STEARYL LACTYLATE:** Wheat and corn extract used to aide the natural blending of our ingredients, which leaves the skin feeling soft.

**GLUCOSE & GLUCOSE OXIDASE & LACTOPEROXIDASE:** Natural protein preservative that works to equalize and preserve our essential oil aromas.

**ORGANIC YERBA MATÉ EXTRACT:** We are the first company in the United States to utilize this Southern Brazil nutrient rich tree leaf extract in a complete line of personal care products. This certified organic extract has skin strengthening properties and is rich in vitamins, minerals and antioxidants.

**BUTYROSPERMUM PARKII SEED (SHEA) BUTTER:** Naturally derived from the nut-like fruit of the Karite Tree, of the Ivory Coast of Africa. This extract moisturizes and provides barrier protection as it is known to benefit such skin ailments as dermatitis, dermatosis, eczema and to soothe sunburn.

**RETINYL PALMITATE (VITAMIN A):** Essential nutrient necessary for healthy skin maintenance and rejuvenation. Vitamin A is a natural antioxidant that nourishes the skin and keeps it soft and supple.

**MIXED TOCOPHEROL (VITAMIN E):** This blend of Vitamin E is a family of nutrients, not just a single compound. A pure, natural antioxidant which helps to preserve the essential oils we use while also nourishing the skin with nutrients.

**SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL:** A natural derivative from the seeds of the Jojoba fruit, this oil helps provide a smooth application to your skin and is close in nature to what your body naturally produces.

**PERSEA GRATISSIMA (AVOCADO) EXTRACT:** A rich and nourishing botanical oil blend derived from avocados, used for moisturizing. This natural extract is full of Vitamins A & E.

**DAUCUS CAROTA SATIVA (CARROT) EXTRACT:** This emollient skin conditioning oil, derived from carrots, is rich in Beta-carotene as well as Vitamins B, C, D and E. It also serves as an effective skin rejuvenator on dry and aging skin.

**CUCUMIS SATIVUS (CUCUMBER) EXTRACT:** Derived from the cucumber plant, a natural cleansing toner that provides cool soothing properties to our lotion.

**PANAX GINSENG (GINSENG) EXTRACT:** A natural root derivative that has anti-inflammatory, antioxidant and anticancer effects on your skin.

**TILIA CORDATA EXTRACT (LINDEN TREE):** We add this extract from the small leaved lime tree for its aroma and it's soothing skin property.

**ALLANTOIN:** A protein found in wheat germ that promotes healing, is moisturizing and helps our skin rebuild naturally.

**CETYL HYDROXYETHYLCELLULOSE:** An emulsion stabilizer used to thicken our lotion and leaves the skin feeling silky and supple.
