

## SHOWER GEL

With our invigorating 100% natural essential oil blends creating our signature aromas of Rainforest, Regal Blossom and Oasis Fruit - You will never want to leave the shower.

We infuse our shower gel with the highest quality organic Aloe Vera gel which provides soothing, rejuvenating moisture after the gentle exfoliation and astringent property of our unique ingredient organic Yerba Maté, rich in antioxidants, vitamins and minerals.

Go ahead stay in the shower a little longer!

**PURIFIED WATER:** Aqua (water) in a highly purified pharmaceutical grade.

**SODIUM LAURYL SARCOSINATE:** An extremely gentle and biodegradable foaming agent (or surfactant) derived from sodium (salt) the lactic acid of coconuts and sugar cane. This all natural, no animal by-product ingredient is a healthy natural surfactant (cleaning) blend.

**DECYL GLUCOSIDE:** Derived from natural fatty alcohol and corn starch, this non-irritating surfactant (cleansing agent) creates the luxurious thick lather and cleanser for our shower gel. An all naturally derived humectant or moisturizer that is so gentle that it is often used for sensitive skin and baby products.

**ORGANIC ALOE BARBADENSIS (Aloe Vera Gel):** We use only certified organic Aloe Vera gel sourced by the world's oldest and largest manufacturer and grower of Aloe Vera from a farm in the Dominican Republic. Aloe has been used for centuries as a rejuvenator of cells and adds cool, soothing properties to the skin

**GLYCERINE:** A natural moisturizing by-product from making soap that assists in retaining moisture in the skin.

**PURE ESSENTIAL OILS:** We use carefully selected pure natural essential oils to provide our pleasantly fresh and unique aromas, as fresh and unique as the rainforest we preserve.

**HYDROXYPROPYL GUAR:** Naturally derived from a vegetable source this is used as a thickening agent giving the shower gel viscosity and slippery feel that enhances the use of this product as a shaving agent.

**GLUCOSE & GLUCOSE OXIDASE & LACTOPEROXIDASE:** A natural protein (sugar based) preservative used to maintain our essential oil aromas.

**PANTHENOL (VITAMIN B-5):** A humectant ingredient that retains water and softens the dermal layer of your skin.

**ORGANIC YERBA MATÉ EXTRACT:** We are the first company in the United States to utilize this Southern Brazil nutrient rich tree leaf extract in a complete line of personal care products. This certified organic extract has skin strengthening properties and is rich in vitamins, minerals and antioxidants.

**PERSEA GRATISSIMA EXTRACT (AVOCADO):** Soothing botanical oil blend from Avocado which is a moisturizer rich in vitamins A & E.

**DAUCUS CAROTA SATIVA EXTRACT (CARROT):** A skin conditioning oil derived from carrots, full of Beta-carotene, Vitamins B, C, D and E. We use this for skin rejuvenation, extremely effective in nourishing and replenishing dry and aging skin.

**CUCUMIS SATIVUS EXTRACT (CUCUMBER):** Derived from the cucumber plant, this ingredient provides the cool, soothing and enhancing feel of our shower gel.

**PANAX GINSENG EXTRACT (GINSENG):** We use this root based ingredient for its anti-inflammatory, antioxidant and free radical fighting effects on your skin.

**TILIA CORDATA EXTRACT (LINDEN TREE):** We add this extract from the small leaved lime tree for its aroma and its soothing feeling to the skin.

**ALLANTOIN:** Natural comfrey used medicinally for the rejuvenating, anti-inflammatory and moisturizing properties it has to enhance your skin.

**CITRIC ACID:** A naturally occurring acid found in citrus fruits such as lemons, oranges and grapefruit which we use as an acid balancer or preservative.
